

Europe's fastest growing digital brand is now available at Regional Supply!

ImagePerfect™ 2595R9 Floor Graphics

ImagePerfect™ 2595 is a white, slightly textured, direct printable floor graphic film for short-term applications available in two versions:

IP 2595R9 (Floor) with a grey, semi-permanent adhesive for indoor, short-term floor graphic applications such as car showrooms, classrooms, shops, museums, sports arenas and retail stores.

IP 2595R9C (Carpet) with a clear, semi-permanent solvent adhesive is a new solution for low-pile carpets. Typical areas of applications are carpets at exhibitions, offices, meeting rooms and hotels. Also, suitable for stickers on flat, low-pile carpeted seats such as in buses and trains.

Both products have been specially created for digital printing on large-format inkjet printers and are suitable for printing with eco-solvent, UV and latex inks. Save time in your busy production schedule, simply print and apply.

Features

- Up to 3 month durability
- 7.9 mil film
- R9 Slip Rating

Benefits

- No need to laminate
- Removes easily
- Semi-permanent adhesive, no adhesive residue
- 2595R9C is ideal for carpet graphics

Whatever the Application - Think ImagePerfect™
